SENIOR REVIEW

It all seems so wonderful and strange as I leave the auditorium stage, with my diploma clenched tightly in my hand. Wonderful for I realize I have reached another important milestone in my life. Yet strange because now that I have successfully attained my goal, I am not really sure how I feel. My emotions are mixed with happiness over my accomplishments, regret over my failures, and anxiety about the future. The past four years—which seemingly have flown by—have provided wonderful memories which I shall always cherish.

How can I ever forget my freshman year. Although I resented it then, I benefited by being treated as a lowly Frosh. I guess that was why our class was determined to show the rest of the school that we were as much a part of San Mateo High School as they were. We joined clubs, commissions, and athletic teams. A few of us took part in student council, the A.B.S., and the A.G.S. Our first big event was Senior Bow Day. Although we had to suffer as we acknowledged the superiority of the seniors, we felt much pride in the fact that we were the largest class in the school and held as our motto—"Quality goes hand in hand with quantity." That horrible Kangaroo Court was certainly an embarrassing experience for us Frosh who participated, but we as a class saw, for the first time, our fellow class members taking part in a school rally. We certainly made our presence felt as we enthusiastically went to our first high school football game at Monterey.

After the new experience of taking finals, we came back ready for our first spring semester. We had a successful Frosh Fun-Nite and participated in the Spring Carnival—sponsoring the sponge throw booth.

Returning to school as a sophomore, I felt that I was a confirmed Bearcat. This was the year of strong class rivalries, and we did our part to prove which class had the most spirit. The big events of the year were the Soph Sock-Hop and the Soph Splash. We had the time of our lives at the school dances such as the Christmas Formal, sponsored by the A.B.S., and the A.G.S. Spring Formal. To make the spring semester complete, students from Pueblo High School in Tucson, Arizona, came to our high school. We enjoyed their entertainment and found them to be a wonderful group. Many of us had the opportunity of having them stay in our homes.

High School

I think my first real feeling of independence came when I was a junior. As upper-classmen we had our first off-campus event, the Junior Skate. Other than a few bruises and sore muscles, we thoroughly enjoyed ourselves. Then came the dance we had all awaited—the Junior Prom, Joie de Coeur. The music of Charley Stern along with the beautiful decorations and delicious food made this an evening to remember. After much planning the Student Court became a reality this year. Continuing with our school activities, we ended this great year with our Junior Splash and dance.

As a "high and mighty" senior I had to learn to accept this high position. The year materialized into all I had hoped it would. Recalling our experiences four years ago, we found our position reversed and retaliated against the new freshman class on Senior Bow day. With many of our class members holding Student Body, A.B.S., and A.G.S. offices, we felt we were the supreme class. Our football queen, Louise Picchi, was crowned at our first outdoor Little-Big Game rally. We beat Burlingame for the first time in four years, 12-7, and the "Cats" did card stunts at half time. Along with our cheerleaders and pom pon girls, our two cute mascots, and the pep band, the "Derby Cats"—wearing jazzy vests and hats —our spirit rose and rose. Our school was rewarded by winning the second place trophy for school spirit at the Peninsula Invitational Tournament at Stanford. Our basketball team highlighted a successful season by placing second in the tournament.

Those of us who were not busy with meetings or other activities, spent leisure noon hours in the senior parking lot. Over our own conversations we could hear the strains of the music of KSM, our own radio station.

Suddenly most of us started worrying about college, jobs, or anything that lies in the future. We had the Senior Luncheon, Senior Ball, and Grad Nite to keep our minds occupied, along with, naturally, our studies. The last few months rapidly drew to a close as we awaited the most important event of high school—Commencement Ceremonies.

Gee—these last four years have been filled with so much! But I realize that there is so much more to do. Right now the first thing I better do is greet my family before they get lost in the crowd. I wonder if my younger brother thinks I'm pretty old? You know, I'm really just beginning to grow up!

This spring, "San Mateo High Through the Years" was published, culminating two years of work. Starting in the fall of 1958, Hi Staff members dug for information through the dusty files and newspaper clippings for the picture filled 88 page book, the first of its type. By the fall of 1959, the staff was polishing the book for publication. Alex Stern, noted California artist, designed the cover for the 2000 issues.

East Lynne

"East Lynne," under the direction of Mr. Ed Dalva and student assistant directors Ray Stewart and Jeanette Jones, is a comic melodrama which typifies English life in the 1860's.

The play, a moral and sensational comedy, tells of the social experiences of Lady Isabel, played by Sue Haylock, and Archibald Carlyle, played by Dick Shapero. Lady Isabel believes that her husband is unfaithful to her so she elopes with Sir Frances Levinson, played by Bruce Holcolm, leaving her child with her husband. She returns later to witness the death of her son Willie, played by Corrine McDonald. The love triangle is solved when Lady Isabel, returned to her estate, dies.

The villian, Sir Frances Levinson (Bruce Holcolm) attempts to assail the fair Lady Isabel (Sue Haylock).

The Grass Harp

"The Grass Harp," written by Truman Capote and directed by Mr. Ed Dalva, was presented with its marvelous stage settings on March 24 on the auditorium stage.

The play got its name because Dolly Heart, played by Sue Haylock, had a sensitive temperament that found comfort in and reward from the song that Nature played in the grasses around the tree house in which she, Collin, played by Bill Lindsay, and Catherine, played by Vera Gibson, had taken refuge.

Their flight from the house that was definitely their home had been enacted on principle—Dolly Heart wanted to do what was right and this was her first attempt at thinking for herself. Dolly had always been ruled by her cold and calculating sister, Verena, played by Louise Picchi, but Verena tried to take advantage of Dolly by using Dolly's "dropsie cure" for Dr. Morris Ritz, her new lover, played by Ted Kirk, and Verena's own gain.

Dolly, Collin, and Catherine ignored all threats and pleas to leave the tree house. They stood firmly, even when Verena scolded them and an armed posse showed their impatience. But a shot was fired which hit Collin. Then Dolly, Catherine, and Judge Charlie Cool, played by Dick Shapero, were able to return home proudly, for Verena's lover had deserted her. While waiting for Collin to pass through the critical period, Verena persuaded Dolly to give up the Judge, whom Dolly had planned to marry, in order to remain Verena's companion.

This year the Bearcats, emerging from the cellar into a second place tie for the PL title, proved to the Peninsula that San Mateo once again has a fine football team. After a 17 game losing streak, the Orange and Black concluded the season with a five win and a two loss record, topping off the pudding with a 12-7 victory over the Panthers on Thanksgiving Day for the first time in four years.

Cat Senior Mike Eberle made first string all PL guard, and Seniors Bruce Josewicz and Pete Nepote made the PL second team. Next year's team promises to be a top-notch ball club with the return of such outstanding junior squad members as Woody Knapp, Elias Cornejo, Doug Lemons, Jere Takahashi, Frank Dunbar, and Tupper Blake. Of course, SM will be sorry to see this year's Senior football players go, for they have contributed much to the name and spirit of the school besides helping to make the 1959 football season a memorable one.

SM 25 Mills 6

After a 16 game draught, San Mateo, sparked by the offensive running of Fred Wakida, Elias Cornejo, and Bruce Jocewicz, opened its 1959 PL campaign with a decisive victory over Mills, thus destroying the Vikings' league debut. The highlight of the game came when Wakida romped 59 yards for a touchdown, putting the Bearcats ahead 25-0. Mills scored only once, during the third quarter, against the San Mateo powerhouse.

Elias Cornejo powers his way into the Vikings' endzone.

SM 0 Hillsdale 13

After their first league win over the Vikings, the victory-hungry Cats were determined to avenge last year's loss to the Knights, but the offensive running of Hillsdale's star halfback, Ron Peters, proved to be too much for SM's big eleven. Victory appeared to be in sight during the fourth quarter when San Mateo carried the ball from its own 37 to our younger rivals' 10 yard line for its closest penetration.

Bruce Jocewicz is dragged to the turf after a short gain against Hillsdale.

SM 20 SSF 14

Victory came with great difficulty to the Bearcats in the fourth quarter of the game, when Jere Takahashi's punt rolled out on the South City one yard line, a blow the Warrior's never recovered from. With the offensive running of Elias Cornejo San Mateo was able to gain the necessary yardage to win the game in the final minutes of playing time.

Hit by SSF's ferocious guard, the Cat's Fred Wakida is stopped after a five yard gain. Rushing in too late to help are Bruce Jocewicz (66), Mike Edlund (94) and Bob Merlo.

SM 25 Jefferson 7

The weak Jefferson defense and the Indians' reliance on pass plays failed to pay off and led to another Bearcat victory before eight hundred loyal San Mateo fans on the Jeff soil. The highlight of the game came in the final three minutes of play when Myron Wacholder skirted into the end zone, vainly leaped toward the sky, only to deflect the pass which fell into the hands of Dan Sanchez for SM's final touchdown of the game.

On a last quarter touchdown try Myron Wacholder attempts to receive a pass from Jere Takahashi. Blocked by Jeff's Gil Moreno, the ball was deflected to Dan Sanchez as he stepped into the end zone.

SM 0 Capuchino 32

This year, as in the previous four years, the Mustangs outplayed the Cats in San Mateo's poorest show of the season. Three Cap recoveries on fumbles at the SM 25 yard line and a powerful display of blocking directly led to four of the Mustang five touchdowns, the fifth coming from an 82 yard jaunt to hit paydirt. A 44 yard pass from Jerry Scott to Dan Sanchez earned the Cats a spot on the Cap ten, their closest drive to the goal.

The Bearcat's Fred Wakida out-maneuvers Cap running mate for the greatest murst of speed during the entire game.

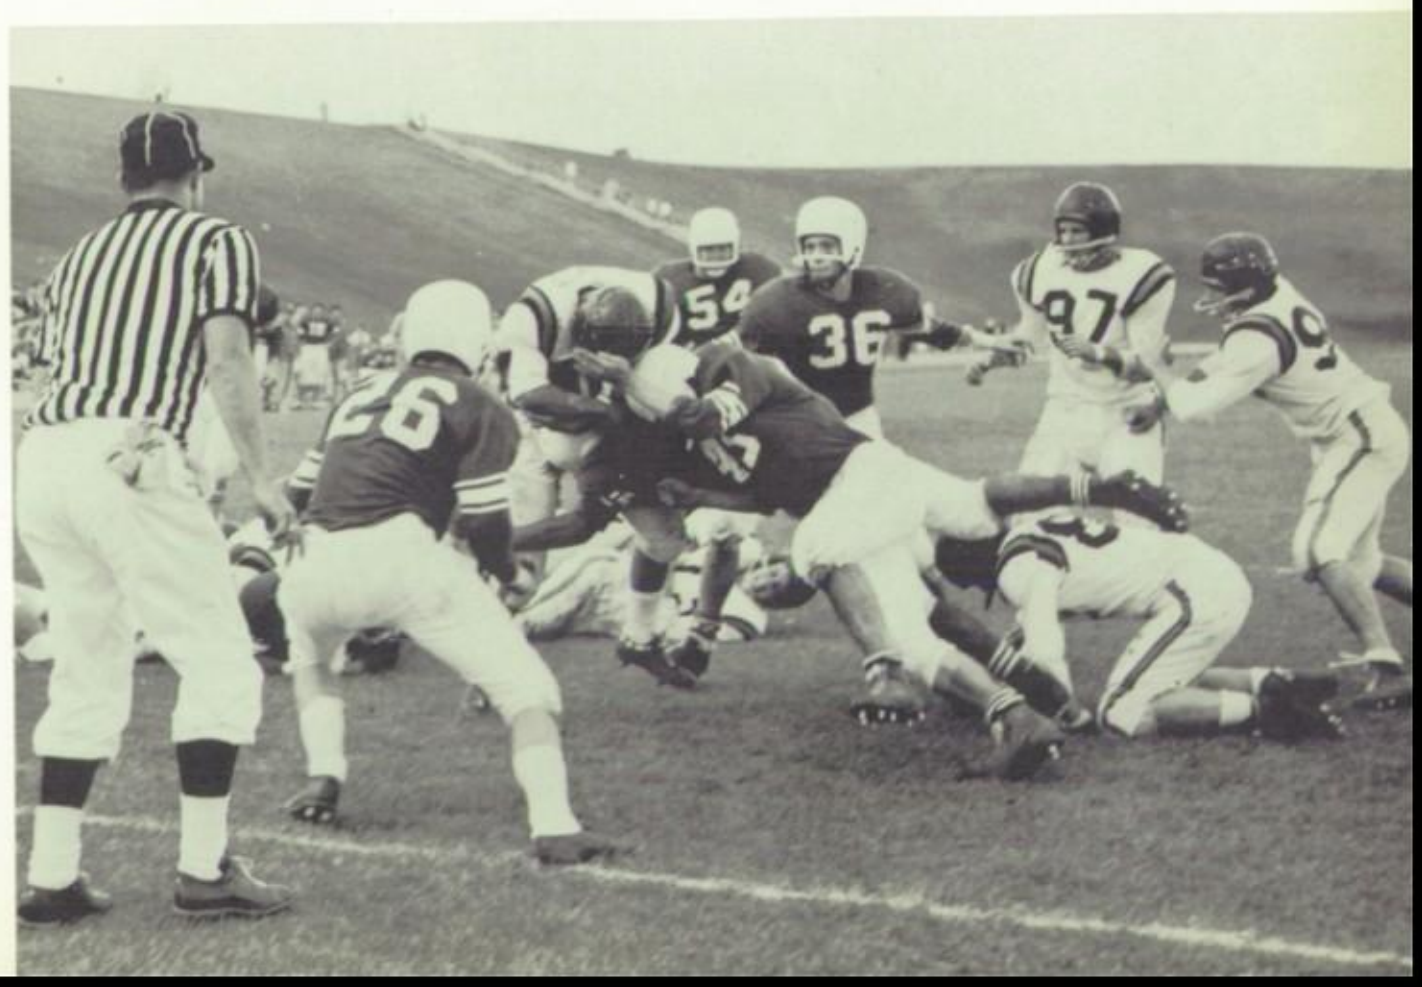
SM 33
Westmoor 13

A poorly equipped Westmoor squad handed San Mateo its sweetest victory of the season. Cat mentor Yale Rohlff praised the fine defensive work of the Orange and Black in keeping the Rams to two TD's on their own smogbound ground. Jere Takahashi, taking over the tailback position for ailing Bruce Jocewicz, gave a fine display of running.

Jere Takahashi drives through a loose Westmoor line to earn the final Bearcat TD of the game, while rushing into help are SM's Mike Eberle, Bob Merlo, and unidentified teammate.



Cat Dan Sanchez goes for TD after reception of a Jocewicz pass on the ten.

SM 12 Burlingame 7

On the warm and sunny day of November 27, in the wind-swept stadium of south-east Blingum before a crowd of six thousand hopeful onlookers and grandstand-fans, the San Mateo underdogs overwhelmed the Red and White Blingumite team, creating the biggest PL upset of the season.

Climaxing its best season in recent years, San Mateo with a 12-7 victory over the highly touted Panthers, proved to have a tough ball club under pressure; in fact, tougher than Burlingame mentor Elmer Schaake would have liked, as he saw his top rated Panther team go down in defeat.

Top highlight of the game came when Dan Sanchez caught Jere Takahashi's pass and raced into the end zone for a first San Mateo TD and when Fred Wakida intercepted a Panther pass and raced 102 yards to provide the margin of victory.

Coach Yale Rohlff gets a much deserved victory kiss from wife Barbara.

Jere Takahashi pulls in a pass intended for disgruntled Panther at his side.

Freshman Football

Frosh phenom Rick Boyd drives for a 10 yard gain until stopped by Knight. Hillsdale was victor in close 7-6 win.

Close and hard fought games marked the freshman football season. Even though the Frosh lost three games, they were able to end the season with two ties to their credit.

This year's team was coached by Walter Rilliet and Bud Carvy, assisted by Wayne Taylor and Bob Heinsohn. It was through their coaches and the tough competition that the Frosh squadmen gained much of the knowledge and experience that will benefit them in their future years of football.

The club was quarterbacked by Cris Nelson and Ken Yontz with Dennis Chandler, Jim Adams, and Steve Peavler as their targets in passing. Team captain Rick Boyd, a hard running halfback, paced the freshman attack.

Although the team did not offer a great win-loss record, it was always hustling and fighting to represent San Mateo.

Varsity Basketball

Picked by most prep sports experts to take the top PL honors because of four first string returnees of last year's fourth place squad, the Bearcat basketball five was deprived of the championship by a determined Westmoor squad that twice blasted the 'Cats out of first place with close victories. The Rams proved to be the only PL aggregation that Coach Ed Burda's scrappy cagers couldn't handle as they split 1-1 with 1960 Champions Capuchino and defeated all others twice.

The starting team, guards Dave Balsley and Gaeton Milia, forwards Bob Little and Mike Zocchi, and center Myron Wacholder had a definite weakness, height (shortest in the league); but this lack of altitude was counterbalanced by their careful, deliberate offense, tough defense, and amazing shooting accuracy. Second liners Doug Pue, Larry Haas, Scott Andersen, and Bob Griggs supported the starters superbly, and were responsible for several wins.

The outstanding high point of the season was San Mateo's rags-to-almost-riches Peninsula Basketball Tournament performance. The Mateans, expected to be eliminated on the first night, promptly tagged tourney favorite Palo Alto, 37-34, in a fabulous come-from-behind cliff hanger, and sunk second seeded Willow Glen on the next night in another close game. In the final game the Orange and Black couldn't quite turn the trick as they succumbed to an inspired Menlo-Atherton squad, 39-34. Gaeton Milia and Mike Zocchi's outstanding play was recognized by their selection on the ALL-Tourney team.

Dave Balsley, third highest league scorer, was honored by making the ALL-PL squad. Mike Zocchi earned a berth on the ALL-PL second team, and Gaeton Milia, elected by the SM team as the Most Valuable Player, received honorable mention.

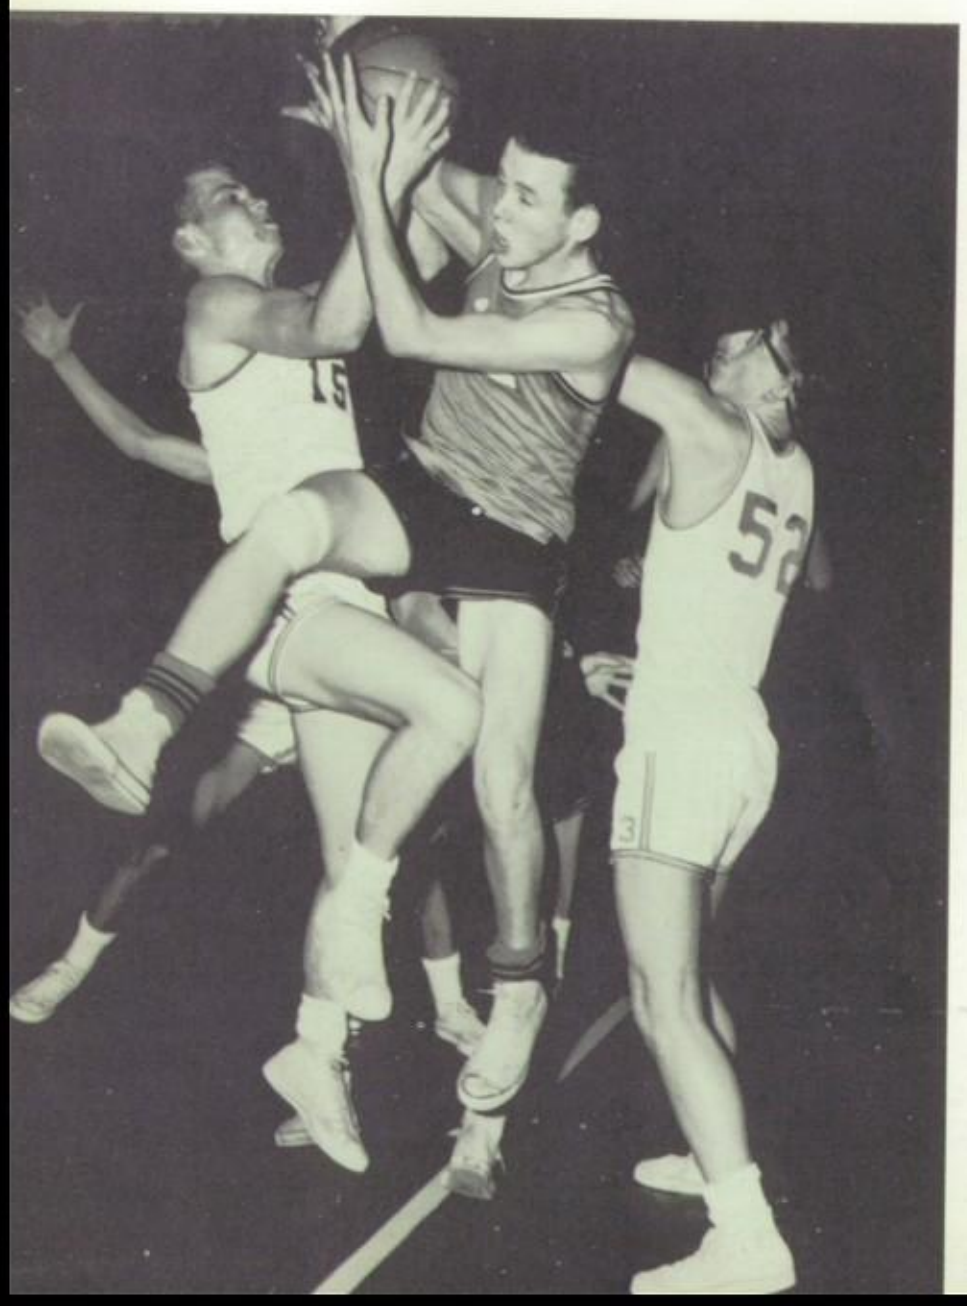
The 1960 B Basketball team's modest 7-7 won-lost record is no true measure of their skills, for they showed vast improvement during the closing stages of the '60 campaign.

During the first round they played less than average ball as they compiled a 3-4 record, including two disastrous defeats suffered at the hands of league-leading, Jeff and Cap by 30 point margins. Things looked exceedingly dark at the start of the second round as the 'Cats had lost two starters, Terry Llewellyn, in the Hillsdale game, and Sal Piazza, playing against Cap. But Coach Ed Allemand went to the bench and found adequate replacements in Phil Hammond and Sandy Ingersoll. The 'Cats proceeded to even their season record with a 4-3 second round. This record could very easily have been 5-1 as the 'Cats' were overtaken in the last seconds by both Cap and Jefferson.

The Mateans starting line-up consisted of Phil Hammond, center; Jere Takahashi and Sandy Ingersoll, forwards; and guards Ed Schuler and ALL-PL Russ Lee, a league-leading scorer.

Russ was honored by being selected as the most improved player, thus winning the coveted Alex Gorbenko Memorial Award.

Ed Schuler fights for that ball.



Phil Hammond and Ed Schuler watch Sandy Ingersoll pull down a rebound.

C Basketball

According to the standards set in previous years, Coach Robinson's C team didn't quite have what it takes to bring home another PL Championship for 1959, but the experience this year's squad gained will certainly make them again one of the top contenders for the title next season. With a season record of six wins and eight losses the 20's tied with Mills for fifth place in PL competition.

Racking up the points for the Cats were Ed Gallick, high scorer for the season, new comer Joe Osorio, Pete Baily, and Dennis Suyeyasu, both veterans of the 1958 D championship team. Next year Rob is looking forward to regaining our lost crown.

D Basketball

With Coach Robinson in the driver's seat the Bearcat D's drove to their fourth straight league championship with a 14 win and a no loss 1959 season.

Many of last year's men having returned, Robi was able to mold another powerful squad with the team's high point man in the person of Willey Coulter, who was unanimously elected to the first string PL team and who totaled up an easy 160 points, followed by Ernie Anderson with 90 points at the season's final tally.

Potting the buckets also this year were three newcomers, Mark Jorgenson, Rick Tietjen, and Barry Seacrest, whose return next year promises a great chance of holding on to the title.

This page marks the beginning of our spring sports coverage. San Mateo has always been proud of these excellent sport teams and it is our regret that the Elm cannot give the complete coverage which is due these sports because of our early deadline date.

Varsity Baseball

1960's varsity baseball squad, coming off a rather unsuccessful practice season, became somewhat of a surprise in PL play, in first place midway through the season. This youthful team, five first string juniors, seemed to have as good a chance as any team to take top PL honors in the well-balanced league, as in their starting nine they have a fortunate combination of outstanding pitching, iron-clad defense, and adequate offensive strength.

Probably veteran Coach Dan Lacy's outstanding diamond dandy, ex-catcher Fred Suggs, abandoned the "tools of ignorance" for a pitching toe and proceeded to turn in an outstanding performance in the lid lifter, beating Capuchino, 4-2. He then became the most talked about pitcher in the league by throwing a near-perfect no-hit, no-run game against the league-leading Hillsdale Knights. A single walk by Knight moundsman Larry Werner was all that stood between Suggs and a fantastic perfect game. Jerry Scott served notice this season that he was one of the league's top men with the stick, hitting with power and with a high average. Another strong team point, defense, helped the horsehiders with outfielder John Hansen and lithe Roy Kodakari, among others, coming up with defensive gems.

Coach Ed Allemand gives the highlights of the previous game to Coach Dan Lacey.

Frosh-Soph Baseball

After a losing practice schedule, 1 win and 3 losses, Coach Ed Allemand's Frosh-Soph baseballers found the winning combination and led the league midway through the season by virtue of a 3-0 record.

Harold Quanz, a sophomore chucker who averaged better than one strike out per inning in early season play, and Dennis Chandler, freshman, gave the team superb strength on the mound. In perhaps the best pitched Frosh-Soph game of the year, won by the 'Cats on runs obtained by walks, 'Tang miscues, and sacrifices, two Capuchino pitchers teamed up to no-hit the youthful 'Cats, but Quanz, with better control (2 walks) pitched the better game, allowing only three hits while whiffing eight.

Paul Penny, first; Jerry Watters, second; Jud Fink, short stop; and Bob Viersen, third composed the infield for rookie-mentor Mr. Allemand. Outfielders Pete Lewis, Sandy Ingersoll, and John Reed combined hitting strength with defensive ability. Rick Wirglir comprised the receiving half of the battery.

Come on! Come on!

Will he, or won't he?

Varsity Cross Country

For the first time since its origin at San Mateo five years ago, the varsity cross country team took the PL championship. Unfortunately the same cannot be said about the frosh-soph team, which took the title in 1958 and placed third to Hillsdale in competition this season.

Top thinclads of the season were Ralph Lee and Sam Rutland for the varsity and Clyde Peek, frosh-soph team captain.

A leg injury to Lee during the early part of the season put the Peninsula's finest runner out of contention for the remainder of the fall semester.

A new two mile course was run this year and consequently no records were broken, but next year the coach will be keeping an eye open for some really fast times.

Varsity Track

Coach Berny Wagner's varsity track team, one of Northern California's best, continued to knock off any and all opposition the rest of the league could put up. In turning back challenger after challenger, the team was recognized as the superior power in the PL.

An outstanding point of this squad was its tremendous depth. During a critical period in the opening stages of the season when an unusual number of injuries slowed or even temporarily put out of action several stars, the reserves were invaluable.

Coach Wagner's top runners were Ed Price in the 100 and 220 yard sprints, Ralph Lee in the 440 and 880, Terry Hall in the mile, and Bob Little in the hurdles. Weight man Bob Merlo competed in the shot put and discus throw events. Terry Llewellyn posed the top high jump threat, while Lynn Bates, pole vaulter, and Bob Little, broad jumper, rounded out the team.

The straining Bob Merlo heaves shot in record try.

B's and C's Track

The B and C cindermen, defending PL champions, definitely were the class of the league in the 1960 season. The B's, last year's defending North Coast Section Co-Champions with Berkeley, in a preseason practice meet with the Yellowjackets proved that things were different this year as they smashed Berkeley's B thinclads by a lopsided 90-17 margin. The C's, also, had no trouble defeating anything the rest of the league could come up with.

At the 1960 El Cerrito Relays, an important meet attended by all the finer track teams of the area, the Mateans finished a creditable fourth.

The B's fielded a top team made up of 75 and 150 yard sprinter Jerry Saito, 330 runner Ben Haraguchi, John Rutland in the 660, 1320 George Smith, hurdler Dan Noce, high jumper Gary Thodas, broad jumper Dave Yam, pole vaulter Mike Andreason, and weight man Rick Boyd. Top performances turned in include Ben Haraguchi's 37.8 330, Dan Noce's :09.2 high hurdles, and Gary Thodas' 5'9" high jump.

In the C's Vergelio Arca, Tom Ikeda, Tom Krieder, Dan Cordell were among the top in the league. Some of the top accomplishments include Verge Arca's :08.2 75 yard dash, John Shinn's 19'2" broad jump, and Mike Noce's 10' pole vault.

Varsity Swimming

Coach Earl Connolley's varsity swimming team, as this book went to press, was a solid upper division team with an outside chance at topping Ted Stickles-led Hillsdale. The PL trials, held this year at Hillsdale, was the scene of an outstanding SM showing as the varsity finished a good second to Hillsdale's aggregation. In the first dual meet of the year the Aquacats breezed by Jefferson 62-7. This first victory was followed by a dunking of Westmoor and a walk-away 62-6 verdict over the luckless SSF Indians. In the SSF contest, scene of 10 new records set by 'Cat swimmers, senior Dan Dobrinen set a new 100 yard butterfly record at 1:07, while Larry Berkerey smashed the 100 yard breast record, setting a new mark at 1:14.

The swimmers, led by Leon Lack and Rich Chlubna in the 50 free, Jack Reading and Myron Wacholder in the 100 free, Gordy Bryant in the 200 free, Dobrinen in the 100 fly, Jim Weber in the 100 yard back, Larry Berkerey in the 100 breast, Bill Abrahamson, also faced a rough Burlingame team.

B's and C's Swimming Teams

The B swimmers, after a first place in the PL Trials, rolled up decisive, impressive wins over Jefferson, Westmoor, and South San Francisco, all by generous margins, and appear to be, at deadline time, the team to beat in 1960. Led by an outstanding group of athletes including Dan Culver, Chris Jones, Bill Petri, Eph Engleman, Barry Bostwick, and Art Fisher, this team smashed school, league, and pool records at an astounding rate. Among the new records set was the 100 breaststroke by Barry Bostwick in an impressive 1:14.4.

The C splashers, hampered somewhat by a poor turnout, seven, had a somewhat less impressive record than their larger team mates. The team, paced by a small but talented group of Ron Masuda, Ed Holsten, Eddie Engleman, Bill Donahoe, Chip Rose, Bernie Carnovale, and Tom Bowers, turned in a second place finish in the PL Trials.

Coach Earl Connelly

1959 was the second year San Mateo fostered a waterpolo team, the first being in 1957, with none in 1958. Due to the lack of experience among Coach Earl Connelly's team members, the Bearcat waterbabies did not have an extremely successful season, with no scores in the win column for the varsity, and only one game, against South City, credited to the Frosh-Soph, but the knowledge gained from their defeats was a big victory for the squad.

At the top of the scoring list for the varsity this season were Rich Chlubna and Dan Dobrinen, both veterans of the 1957 Frosh-Soph, and Eph Engleman and Barry Bostwick for the Frosh-Soph.

With most of the Frosh-Soph and a few varsity squadmen returning with a season's experience next year, SM should have a triumphant waterpolo team.

Golf

After losing all of the top five men from last year's team, 1960's SM golf team didn't have the strength to defeat powerful Burlingame, title-favorite. With an accent on youth, only two seniors in the top five, Coach Dick Prigge's top duffers were Dave Johnson and Al Rajokovich, seniors; Roger Pearson, junior; Norman Jones, sophomore; and Bill Picchi, freshman.

This team will long be remembered as the squad of which, for the first time in PL history, a girl, Diane McClain, was an active member.

Tennis

Hard hit by graduation, Coach Frank Robinson's tennis team faced a major rebuilding job this season as only two of last year's top ten remained.

In their first matches, the Netcats easily beat South San Francisco, 7-0, but tasted their first defeat ever from the hands of Hillsdale's Knights, 5-2.

Mike Winship, a sophomore, was the squad's number one man while Reynold Lee, Jim Freeland, Ichiro Hoshiyama, Jim Seki, Andy Wood, Paul Van Dillen, Cliff Adams, and Stan Lanka followed. The Bob Wells-Al Bendatoff duo posed San Mateo's number one doubles threat while Doug Pue and Steve O'Keefe played second doubles position.

Wrestling

Coach Tom Hanson's talented wrestlers swept through a perfect PL season capped by an overwhelming PL Meet victory in which Sven Holm, Jon Sapunar, Bill Fife, Fred Crawford, Carl Tresser, Don Lewis, and Austin Colcord attained PL Champion rating.

Among the many highlights of a great season were a 37-17 victory over last year's champions, Castro Valley; a 3rd SM victory in as many years in the annual PL Novice Tourney, indicating that this aggregation will be a league power for years to come; and a 56-0 annihiliation of hapless Burlingame.

In assuring their 3rd consecutive title at the PL Meet, each of the 12 Matean grapplers entered, scored at least a 3rd place finish.

Sven, the team's outstanding competitor, swept through an undefeated PL season and went on to take a second in the Northern California Section Meet. Later Holm became Northern California 175 lb. champion by revenging at the North state finals his only defeat of the year in topping the athlete who took first in the NCS meet by out-pointing Sven.

Gymnastics

The gymnastics team, for the first time working under Mr. Wayne Taylor, midway through the season was in the running for its first Northern California Gymnastics Association West Bay Division championship.

The contortionists were paced by Sven Holm, Rob Linden, Jon Sapunar, Wes Mark, Andy Dutra, Bill Fife, Carl Tresser, Don Secrest, and Ron Shimamoto.

In early season competition the gymnastics smashed Hillsdale 71-54 and battled powerhouse Sequoia to a 64-64 stand still, capitalizing on superior depth.

Secrest takes a dive.

Exchange Students

When Unto Nyyssonen left the cold fjords and steep mountains of his native Finland for the low hills of the Bay Area, he was to begin a different way of life. Unto has the distinction of being the first male exchange student at our school, and now we hope that we will have many more.

He became a part of San Mateo High soon after his arrival and participated in many activities. In addition to being a member of the Lancer Hi-Y, he is also a member of Mu Alpha Theta, American Field Service, and California Scholarship Federation. He says he likes America very much, and he especially enjoys the way the residential sections are set up in San Mateo. Unto directs most his enthusiasm towards soccer, chess, and cheering at our games and rallies.

He will probably attend a college in Finland but hopes to go to Germany for his higher education. There he will major in physics or medicine.

We hope that his experiences over this past year will give him as much enjoyment as they have given us. We, at San Mateo High, are proud to have had Unto Nyyssonen as our exchange student for 1960.

Pat Crawford, exchange student for 1959, spent her summer in Calais, France. She had a very exciting and interesting time learning about our French neighbors across the sea.

By living with a French family for over two and a half months, Pat was able to get the feeling of the country and know the people much better. She especially noticed the stress on family unity. All entertainment, such as going to the movies or the beach, is done with the family and everyone seems to enjoy it this way.

Because there are so few automobiles in that part of France, walking is considered a pleasure rather than a chore. Pat noticed that a great deal of time and effort was put into the daily meals by the woman of the household. Good food and fine wine plays a very important part in the lives of the average Frenchman.

Pat agrees that this certainly was a summer to remember as it was filled with so many experiences, each one a treasure in itself, never to be forgotten.

Elm Sales were announced . . .

. . . and we casually . . .

. . . rushed to get our books.

Nineteen fifty-nine—the end of an era. It was our first awareness that San Mateo High School would be divided again. Perhaps some of us resent the fact that we will have to give up some of our favorite teachers to a new school. We have always had a fine faculty at San Mateo, and we hate to see any of our teachers leave. Teachers that show interest and enthusiasm in our activities. Teachers that inspire us. Teachers that guide us. We could have dedicated this year's Elm to them, but they have dedicated themselves to us in a finer way than we could express or repay. Not only those teachers who are going to the new school will we miss, but also those who will retire after a lifetime of unselfish service. Nostalgically we say good-bye to them—to their maturity, knowledge, and rectitude. Some teachers are leaving for a year to broaden their horizons, and thereby, ours. For those of us who will be Seniors in the year of their absence, it is farewell.

San Mateo will miss these teachers, and because they gave so much of themselves, they will miss San Mateo High School. They have helped build San Mateo into a respected school. They have played such an influential part that they leave behind students who can maintain the high ideals of our school. They leave students who can take pride in a faculty that has the depth to fill the posts that these teachers are vacating. These are only a few of the many teachers that guided San Mateo High School to a position of esteem that has always been revered. They are not the first leaders, and they will not be the last. San Mateo High School today stands as a monument to fine teachers from the past. And the fame of San Mateo has not been confined to our own campus; it is recognized and hailed by faculties and student bodies of many schools. Therefore, we should preserve our quality as an inspiration and standard for the new student body of Aragon High School. It will not be easy to maintain our status. We must look to it as a challenge that must be met. Nineteen sixty—the beginning of a new decade.

Acknowledgments

This year's Elm has meant different things to different people.

To Keith Cole Studios it has meant hours spent in developing our pictures to meet our specifications.

To Mr. Bud Bosco, of Mirro-Graphic Yearbooks, it has meant his professional advice on each page.

To ʞon Iscoff, our photographer, it has meant numerous hours spent in the taking of almost every picture in this book.

To Bill Lyman, of Hi Staff, it has meant the tremendous job of writing all of the spring sports copy.

To John Hovland, of the Art Department, it has meant the enhancing of our book by his artistic talents.

To Mr. Quinlan, our advisor, it has meant his constant presence to keep the staff always in view of its goal.

To all of these people the staff wishes to express their sincerest thanks. We have worked together in the hope that . . . . . .

To you it will mean the climax to a fulfilling year at S.M.H.S.

Dear Dot,

I am very honored that I should be the very first one to write in your year book. Please excuse any pizza that might appear on this page. It's very hard to write a letter and eat pizza at the same time.

I also would like to congradulate your winning the elections and being installed as Marshal and as V. P. of "Block" S. M. ← PIZZA STAIN

I also would like you to know that I think you are one of the sweetest, kindest, dearest girls my eyes have ever had the misfortune to look upon. (I hope you don't think this is a "line" because it is.) No other girl has made me feel the way I do about you. Since I have met you I feel like giving up girls altogether and taking up gambling again. The trouble is, though, I just can't seem to tear mysely away from you.

It's getting late now and I have to go I sure wish I could stay so I could finish this masterpiece.

Love you always

Chuck

Dear Pat
I guess I should be using my law mike to match yours but oh well.
It has been kind of a blast this year although the only time I was in the library I was sad you were in the library for some time, but I guess that was to mean time to read a little book. I'll miss you this summer and we go can probably see you getting dizzy during the writing. There is enough time (including me) I just have to say that I have to leave a blast this summer, not getting dizzy a little more. Of course, I'll miss you a little bit, + don't give a rats ass about Ms. Eagan for mo Elm (EAGAN IS A CRUD.) Good luck on next year, with your parents about your report card (I'll be completely without same little comment and your parents about your report card (I'll be completely without same little comment and your parents about your report card (I'll be completely without same little comment and
